MEMBERS NEWSLETTER AUGUST 1993

Club Performance

You will be pleased to know that there has been an increase of over 20% in the Club's trading performance over the last month or so. Membership is increasing again and former members are rejoining. If you haven't been into the Club in the last two months, you haven't seen the changes taking place. Now is a great time to visit the Dining room, the Bistro, the Athletic Department or join us in the Club Bar on Wednesday August 11 for free drinks.

Club Drinks

On Wednesday 11 August and on the second Wednesday of every month, there will be free drinks in the Club Bar from 5 pm to 7 pm. It's a great opportunity to meet old friends and other members.

Tattersall's Race Day

Along with this newsletter are two tickets to our race day on Saturday 4 September at Royal Randwick. The tickets get you into the members enclosure but you do have to pay \$6.00 admittance through the main gate. If you can't use the tickets yourself give them to someone who will appreciate them.

September the 4th promises to be a great day. A key feature is the members luncheon. Lunch, including wine, is \$40 but there are only 180 seats. Ring the office to make your booking (which is limited to members and members' wives).

Food and Wine

One of the key areas that most members have said needs attention is our cooking.

A Task Force headed by John Tierney has spent the last two months looking at how we could best upgrade our food, our wine list and our service.

Last week, the Committee appointed Andrew Birley as our food consultant. Andrew's background covers some of Australia's best including the Berowra Waters Inn, Executive Chef to Anders Ousback, the Wharf Restaurant and has worked in numerous English speaking embassies in Italy. Already changes have taken place on our menus and wine lists - more are on the way.

Athletic Department

New equipment is in the Athletic Department now. Structural changes are under the control of the architect and should be completed by September.

A full list of complaints and issues raised by members and the action taken about them is on display in the Athletic Department. If you can't get to the Club to see the list and the changes, phone the office for a copy.

Circuit training is available on the mornings of Mondays, Wednesdays and Fridays from 6.00am (Advanced Classes) and Tuesdays and Thursdays from 7.00am (Intermediate Classes). Contact Gavin or Steven, your personal trainers.

An up to date list of Reciprocal Clubs is attached. Many members have asked that the list of reciprocal clubs in Asia be expanded. The Committee is looking at that now.
